LA DONCELLA GUERRERA

“La doncella guerrera” es una obra para Banda pensada para un nivel de banda juvenil. La inspiración para esta pieza viene del romancero de la música tradicional valenciana, concretamente de un romance cuyo título llamó la atención de la compositora: La doncella guerrera. En este romance se cuenta una historia similar a la de la conocida película de animación “Mulán”, en la que una joven va a la guerra al ser su padre mayor y no tener descendientes varones, para salvar el honor de su familia. En España sucedió algo parecido con Juana de Arintero en 1475, que fue a la guerra y luchó con valentía hasta que descubrieron que era una mujer, un delito que se penaba con la muerte. El Rey Fernando fue informado y le perdonó la vida al saber que había sido de vital importancia para la batalla. Además le concedió al pueblo de Arintero numerosos privilegios gracias a ella. Una vez pasada la guerra hay numerosas leyendas sobre su paradero, pero no hay certezas. Juana está inmortalizada en el escudo del pueblo de Arintero, en el que aparece a caballo con una lanza en la mano, es cuanto queda de ella porque su heroica historia quedó en el olvido.

Con esta historia como fuente de inspiración la compositora empezó el proceso de composición, no como una recreación programática de la historia en sí, sino como punto de partida para la creación. La obra empieza situándonos en un pueblo que está en paz y va dando paso a una melancolía provocada por la impotencia que genera la batalla. Hay un leitmotiv que representa a la guerrera que va variando y está presente durante toda la obra. Este leitmotiv la representa a ella, y sobre todo busca captar la valentía con la que luchó. La música pretende expresar todo el proceso de superación que implicó la batalla y llevar adelante la decisión de participar en ella, pese a los riesgos, por salvar el honor de su familia. La pieza no busca transmitir o describir la batalla en sí, sino generar esa sensación de luchar y superarse con la que nos podemos identificar todos, aunque no sea dentro de grandes gestas o batallas.
